The following providers offer many different courses, but not all the courses are recognized by LPCA of GA for the CPCS CE requirements:

Please note: AAMFT, SW, Addiction, and Leadership "superior at work" workshops **do not count towards certification.** (must fall within the LPC Scope of Practice O.C.G.A. 43-10A) AND **Composite Board Rules for supervisors/supervision for Counselors.**

NOTE: Workshops from California most likely will not be accepted. CA did not license LPCs until 2016, therefore, their trainings are by LMFTs (AAMFT)

NOTE: Any home-study/independent-study/self-study CEs are NOT acceptable for the CPCS application or recertification.

Look for workshops that are LPCA Approved workshops.
